## PART II – GRANT CONDITIONS

### GENERAL CONDITIONS:

1. The method of payment, for the period October 1, 2006 through September 30, 2007, will be on a reimbursement basis for direct costs only.
2. The Grantee, using forms prescribed by the DEP Grant Manager, shall elect to submit reimbursement requests on either a monthly or quarterly basis. The method chosen shall be followed for the entire grant period. An original of the reimbursement request, with summaries and appropriate contracts attached, shall be due on the last day of the month following the end of the reporting period (monthly or quarterly). Each reimbursement request shall be submitted in detail sufficient for pre-audit and post-audit review.
3. Grant funds may be expended through September 30, 2007. A final reimbursement request must be submitted no later than October 31, 2007.
4.
  - A. Reimbursement requests must be signed by the designated authorized representative. This should be the same person who signed the Grant Agreement. If there is a change in the authorized representative during the Grant period, the Department must be notified of the new representative by resolution or minutes of a commission meeting.
  - B. In addition to the requirements in the paragraph above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Grant Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within 30 calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Grant Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.
5. Expenditures shall be limited to allowable items as listed in the Solid Waste Grants Program Rule, Section 62-716.510, Florida Administrative Code. Allowable items include:
  - A. Purchasing or repairing solid waste weight scales;
  - B. annual solid waste management program operating costs;
  - C. planning costs;
  - D. construction and maintenance of solid waste management or recycling facilities;
  - E. solid waste management education for employees or the public; and,
  - F. recycling demonstration projects.
6. Each recipient of Grant funds shall maintain accurate records of all expenditures of Grant funds and shall assure that these records are available at all reasonable times for inspection, review or audit by Department personnel and other personnel authorized by the Department. Records shall be kept for a period of at least 5 years following the end of the Grant period. The Grantee agrees that it will expeditiously initiate and complete the program work for which assistance has been

awarded under this Grant Agreement in accordance with all applicable provisions of Florida Statutes and the Florida Administrative Code.

7. A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment A (Special Audit Requirements)**, attached hereto and made a part hereof. **Exhibit 1 to Attachment A** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment A**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Development and Review Manager at 850/245-2361 to request a copy of the updated information.
- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment A, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section .210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.
8. Allowable costs may be expended under this Grant Agreement beginning on October 1, 2006 or the date this Grant Agreement is fully executed, whichever date is later.
9. The Department has the right to terminate a Grant award and demand refund of Grant funds for non-compliance with the terms of the award or the Solid Waste Grants Program Rule, Chapter 62-716, Florida Administrative Code. Such action may also result in the Department declaring the local government ineligible for further participation in the program until the local government complies with the terms of the Grant award.
10. Grantee shall obtain all necessary construction-related permits before initiating construction.
11. The State of Florida's performance and obligation to pay under this Grant Agreement is contingent upon an annual appropriation by the Legislature.
12. Travel expenses incurred are included in the amount of this Grant and no additional travel expenses will be authorized. Any requests for reimbursement of travel expenses must be submitted in accordance with Section 112.061, Florida Statutes.
13. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1), Florida Statutes.
14. Pursuant to Section 216.347, Florida Statutes, the Grantee is prohibited from using Grant funds for the purpose of lobbying the Legislature, the judicial branch, or a State Agency.

15. To the extent required by law, the Grantee will be self-insured against, or will secure and maintain during the life of this Grant Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this project and, in case any work is subcontracted, the Grantee shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Grantee. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Grant Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of his employees not otherwise protected.
16. The Grantee, as an independent contractor and not an agent, representative, or employee of the Department, agrees to carry adequate liability and other appropriate forms of insurance. The Department shall have no liability except as specifically provided in this Agreement.
17. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
18. Upon satisfactory completion of this Grant Agreement, the Grantee may retain ownership of the equipment purchased under this Grant Agreement. However, the Grantee shall complete and sign a Property Reporting Form, provided as **Attachment B**, and forward it along with the appropriate invoice to the Department's Grant Manager. The following terms shall apply:
  - A. The Grantee shall have use of the equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.
  - B. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the equipment in good operating condition.
  - C. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, non-expendable personal property or equipment purchased with state funds and held in his possession for use in a contractual arrangement with the Department.
  - D. The Grantee shall report the inventory of the equipment, on an annual basis, no later than January 31<sup>st</sup> for each year this Agreement is in effect.
19.
  - A. No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Grant Agreement.
  - B. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and intends to post the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at 850/487-0915.
20. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not perform work as a Grantee, contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public

| entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two, for a period of 36 months from the date of being placed on the convicted vendor list.

21. This Agreement represents the entire Agreement of the parties.
